Hi Sarah,

I'm sorry but found out this morning that this date and time won't work now for the Administrator. Let me go back to the drawing board and find some more dates that could work.

My apologies,

Christian,

I am following up in regards to our call yesterday. We would be able to make an 11:45am start work on Thursday, July 20 at the EPA. Does that work?

Please let me know and thank you.

Best,
Sarah

Hi Sarah,

Sorry we can't find a time on the 11th. He will for sure be back on the hill in September after August recess, as soon as we have those dates I will let you know and we can set this up for then.

If anything late July were to open up as well I will let you know.

Thanks and have a great 4th of July!

Thanks, Christian. That is actually right during a weekly lunch that the Senator has, so I do not think that time will work.

Does Mr. Pruitt come to the Hill often? We may need to look at another date and time.

Best,
Sarah

No worries at all!

We could possibly do 1:30pm at the Senator's office? If that works let me know and I will talk to our scheduler to hopefully make that work.

Christian,

Unfortunately at this time, I do not think that will work, but I can let you know if that should change.

It sounds like Mr. Pruitt will be on the Hill on July 11th. Can you please let me know what his other availability is for a meeting on that date, and I will see what I am able to do regarding moving things on our end?.

Thanks,
Sarah

I will run traps on those days. Would the Senator be able to come to the Administrators office on the 12th?

Hi Sarah,

Hope all is well. I wanted to reach out in hopes of scheduling a meeting between EPA Administrator Pruitt and Senator Sasse on our next day on the Hill. Any chance Tuesday July 11th in the afternoon could work? If possible 1:30pm-2pm, or 2:30pm-3pm would be great.

Please let me know if you have any questions and have a great day.
